MEMORANDUM FOR: Mr. Peer deSilva

CCP/SR Division

SUBJECT:

Long Range Photography

- 1. With reference to your memorandum of 30 November 1953, TSS/APD has ordered one Zoomer lens and expects its arrival approximately 28 February 1954. At this time an evaluation will be made by our contractor and then the lens will be available for your operational tests in Alaska.
- 2. Regarding contacts at Fort Monmouth, TSS/APD has requested that the names of the Photographic Engineers be obtained. Then clearances will be obtained and engineers from TSS/APD will make contact up there. At this time you will be contacted by TSS/APD and informed of the results of our tests and the information that we obtain from Fort Monmouth.
